It's officially summer here in middle Georgia and we've just celebrated our nation's Independence Day. We are thanking God for the privilege of being born and raised in this great country, but, saddened to see how far the United States has drifted away from the principles of the Founding Fathers and from honoring our Creator God. With the end of June came the end, thankfully, of "Gay Pride Month." So sad to see the obscene activities taking place, fully sanctioned by the President of the United States as well as other leaders of this nation. God's Word, in the book of Romans, chapter 1, explains exactly what is taking place in our country and in other countries around the world. When we see these shocking, perverted activities we are reminded of what our dear friend, Pastor Ralph Easterwood, now gone on to glory, used to say about such things, "We really shouldn't be shocked when lost people act like lost people!" We need to view those who are committing these ungodly acts as God views them – made in His image, with a soul that is bound by Satan in the chains of sin and darkness, who will spend eternity in Hell unless they turn and accept the gift of salvation through Jesus Christ. He loves them and so should we and try to reach them before it's too late.

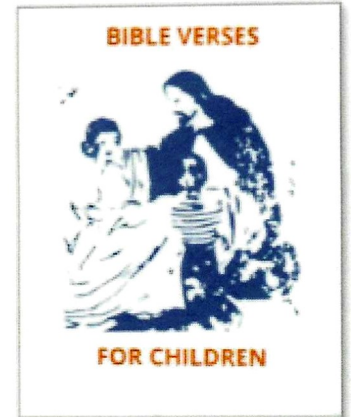

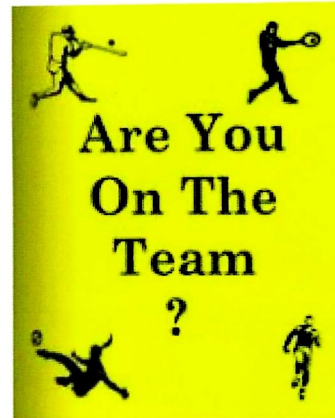

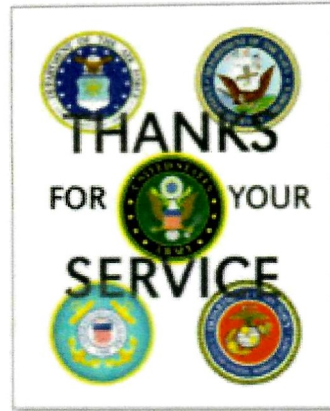

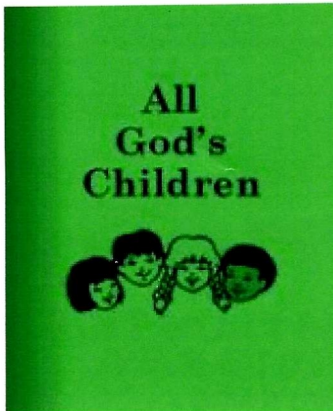

That's why my dad, Dr. H. C. Godfrey, began the Little Book Ministry back in 1966. As a pastor, he knew that there were untold numbers of people, outside the church, who needed to hear the Gospel and would never hear it if Christians waited on them to come to church. A person needs to have a heart-change by accepting Jesus and then they will have a desire to attend church. The unsaved have no desire to come to church. Little Books have been reaching the lost for 57 years now and, thanks to those of you who faithfully support the ministry with your finances as well as your prayers, we intend to continue "keeping on" in this work.

The more we see things falling apart here at home and around the world, the more we need to be about the Father's business, telling others of the Blessed Hope that is only found in the Lord Jesus Christ. We have a limited amount of time to witness so we need to make it a priority. How sad it would be for someone to be a Christ-Follower and get to heaven and have not a single soul that we were instrumental in reaching for Jesus.

Looking for a ministry opportunity? How about looking for a business or doctor's office in your local area where you could set up a Little Book display rack and keep it filled? We are so grateful for all of those who are already doing that. They have a part in every soul who comes to Christ through reading a Little Book.

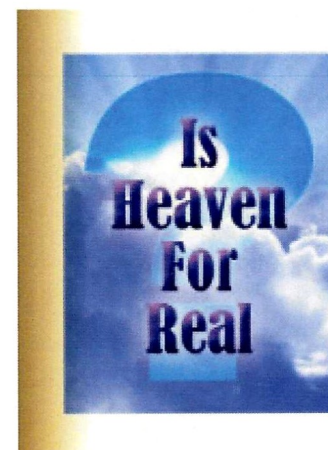

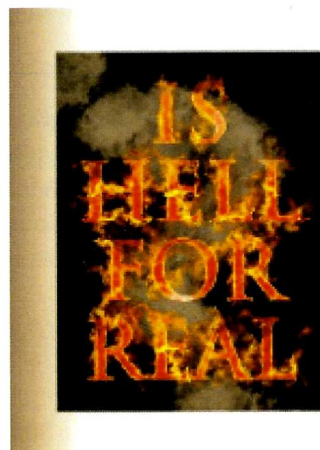

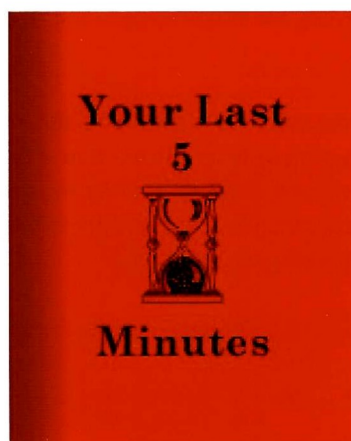

Thank you to all of you who are a part of the Little Book "family." We know you faithfully pray for the ministry and we greatly appreciate your prayers. And, we pray for you and your family that God would bless you as you seek to serve Him. Until next time – Keep looking up!
