Jan-Feb-Mar 2025

We hope that 2025 has begun on a positive note for all of you and your families. We've heard from quite a number of you wanting to replenish your supply of Little Books. We appreciate your partnering with LBM to reach the lost for Christ. We also want to thank those of you who have blessed the ministry financially as well as in your prayers. We especially appreciate those who have contacted us through emails, letters, cards, texts and calls extending condolences to our family regarding the loss of our son, Jonathan, who passed away in November. LBM has received more than 40 donations "In Memory of Jonathan" since his homegoing, for which we are extremely grateful.

We have a limited number of our "What If There Were No Easter" books available so please get your order in as soon as possible. Remember, Easter is April 20th. Just mentioning the title to someone is a good way to strike up a conversation that can lead to sharing the Gospel. Everyone who is a Christ-Follower has been given a mandate from God to "Go into all the world and preach the Gospel". We are all responsible for sharing the salvation message with everyone who is in our sphere of influence.

We want to say a big THANK YOU to all the friends of this ministry who keep our display racks filled. We currently have almost 200 display racks in offices, medical facilities, churches, laundromats, hair salons, etc., and we appreciate very much those who make sure the racks stay filled. These racks are "silent witnesses" spreading the Hope that is only found in Jesus Christ. If you know of a place in your city/town where you could put a rack just let us know and we will get it to you ASAP.

Until next time – Keep on keeping on till Jesus comes. And keep looking up – today could be the day!
