If you did not know who Charlie Kirk was prior to September 10, 2025, I'm sure by now you've definitely heard of him. Murdered by an assassin's bullet, he left behind his wife, Erika, and two small children. Although only 31 at the time of his death, Charlie left an awesome legacy that most people never attain though they live to be twice his age or even older. Through his nonprofit organization, Turning Point USA, he advocated for Christian conservatism on high school and college campuses, challenging young people to stand for conservatism, but even more importantly, to accept Jesus Christ as Savior and advocate for Him in their daily life. As I watched Charlie's funeral, and listened to all the kind words spoken on his behalf, Romans 10:14-15 came to my mind, "How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach except they be sent? As it is written, "How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things." Truly, Charlie Kirk had beautiful feet, for he "preached the gospel of peace" and "brought glad tidings of good things." I am impressed by how Charlie Kirk inspired young people to be outspoken Christian conservatives, but, I am even more impressed by how he shared the plan of salvation with everyone he met.

How about you? Do you have "beautiful feet"? If not, would you like to? Then do what Charlie did – Witness for Jesus in your circle of impact. Little Books can be an effective tool in your witnessing and sharing the Gospel of Jesus Christ. Every book, no matter the title, presents the Gospel in an understandable and forthright manner. We've had many requests for a book specifically for Thanksgiving. We're happy to report that "Happy Thanksgiving", our newest book, written by our dear friend, Dr. Ken Alford, is now ready for distribution. We've enclosed a copy so you can see what a great message it has. Due to the labor intensive "hands on" process of producing a little book, we will have a limited quantity available during this November so order yours today. Ken has authored several of our other books and in this one he challenges us as Christians to turn Thanks Giving into Thanks Living.

We want to give a "shout out" to some folks who are using our display racks to reach people with the Gospel. Renee Cannady and Brenda Cliett in Tifton GA share Little Books with homeless women and children through Hope Dealers Street Outreach. Mary Beth Odom at Whistle Stop Train Depot in Juliette GA now has a display rack in her shop. Dr. Charles Cofer makes Little Books available in his clinic in Milledgeville GA. Thank you to all these who love souls and want to share Jesus.

2025 is rapidly coming to an end. Let's make sure we are doing all that we can to reach the lost with the soul-saving Gospel of Jesus Christ in the short amount of time we have left in this year. God bless you as you seek to serve the Lord.
